

ALP AFRICA (PTY.) LTD.

EPDM YOGA MAT

For Life

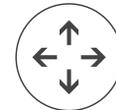

Excellent Grip & Anti-skid

Cushioning for Less Impact on Joints

Anti-microbial

Size (mm):
1830 x 610 x 5

UV Resistant for Outdoor Uses

Long Life

Why choose EPDM?

EPDM material is non-toxic, anti-fungal and antibacterial which makes it a better choice than other yoga mats commonly available in the market. EPDM is UV Resistant, meaning it doesn't crack even when used outdoors and lasts long. Above all, it is 100% biodegradable and therefore friendly to the environment.

Available Colors: 

ECO-FRIENDLY
